

I would like to take this opportunity to introduce you to Adkison Towing Company Inc. We are a family owned business and have been serving northeast Florida for over 15 years.

Our Storage lot and call center is centralized in Jacksonville Florida and manned 24 hours per day, 365 days per year. We have state of the art dispatching systems and our trucks are located all over town giving you quick and courteous service. Having one call center and one location enables us to speed up your request instead of calling another location and repeating information. We are your ONE CALL LOCATION.

The dispatch staff is trained to recognize needs and solve problems, with an attitude of "no job too small, no problem too big." The call center takes over 200 calls per day.

All of Adkison's Towing drivers go through an intense training and background check, and have been approved for law enforcement towing. We pride ourselves on clean, courteous drivers who conduct themselves in a professional manner at all times.

We are proud to be a drug-free and safe workplace.
